

2010 JUNIOR GOLF LEAGUE

This year we are offering a junior golf league to any interested players. This league is designed to give junior golfers the opportunity to play Purple Hawk in a competitive and fun league. All league play will be 18 holes, except the first day, which will be nine holes. This league is open to any junior 10 to 18 years old and all players must prove they can play 18 holes in a maximum of four hours. Members and non-members are eligible to play in this league. We will need to have a minimum of 12 players to run this league. The first week will involve a short orientation at 7:30 and then a 9-hole event starting at 8:15. The following weeks the league will start at 7:30. The pro shop will make pairings every week.
